

Another extra hour of Distance Learning Available
At Extended Day Google Classroom: Monday-
Thursday from 3:00pm- 4:00pm. obtrje5

Parents, we have another extra hour of Distance Learning Monday-Thursday from 3:00pm to 4:00pm; your child has the opportunity to attend the Extended Day Google Classroom: [obtrje5](#). We offering an extra hour of support for your child. We require that your student do at least 3 topics in Aleks, work on his/her assignments and check the resources that the teachers are uploading for them. It's another way of supporting your child during this difficult period that we all are going through. Please, make sure that your child is taking advantage of it and I will let you know if he/she attends the program today. When they get into the room, they must go to the Extended Day Hangout; I provided the link for you.
