End of year!

Good afternoon Eli family,

I want to thank all of our staff and Administrative team for a great year! We could not be successful without all stakeholders being part of our community. The Executive Director of CTECS, Dr. Ellen Solek, attended our graduation and commended our school as the most improved school of CTECS!

Congratulation to the class of 2023, best of luck in the future and continue the hard work towards a successful career! Below is a link to some of the graduation photos taken by Mr. Maguire.

I would like to also congratulate Mr. Lombardo, Carpentry Department Head, three sport coach and an outstanding educator for CTECS for 24 years for his commitment and mentorship for our students.

Mr. Lombardo was recognized by News 8. Please see the link below.
