

1/20/23

Good afternoon Eli Family,

We had an eventful week. The Empower group worked with tenth graders and our staff during PD this week. The goal is to increase collaboration and teamwork skills. We also held the first Clash of the classes event, which was a huge success!! Thank you to Ms. Patrick and Ms. Howarth for coordinating the event along with all students and staff creating a safe, fun event!

- We will be holding our first PFA on 1/25/23 at 5:30 pm. We look forward to seeing you then.
- The basketball season is in full swing. The boys' team suffered its first loss this season but continues to demonstrate excellent sportsmanship! The girl's team remains competitive in their season.
- While attending sporting events, FANS must be respectful to all. No inappropriate comments should be made. FANS are not FANATICS. Avoid making inappropriate comments, as that will lead to limited spectators. Be respectful and make Eli proud!
- The Clash of the classes committee, comprising our National Honor Society students did an outstanding job facilitating the event. The tenth grade won this year's event! The amazing award was created by our Precision machine shop, Mr. Roettger and Mr. AmEnde.

- Students participating is Simon Says.

-
- Student preparing for the 3 legged race!

- Students participating in musical chairs.

-
- Tug of War!

- Individual Pie eating contest

-

- **Daily attendance** is important as it prepares you for professionalism in the workplace or college. Chronic attendance occurs when you have 2 or more absences in a month. Achieving ten unexcused absences places you in the chronic absentee category and **may lead to credit denial**. Communication is important for all absences, notes should be submitted

Mr. LeSieur, chris.lesieur@cttech.org

- As the Eli Whitney students have been extremely cooperative in the educational process, we have had numerous situations with student disagreements. As mentioned before and in the handbook, **fighting is not an acceptable form of disagreement**. Also, students should not carry knives, pepper spray, or any facsimile weapons. Communicate with the school counselors, teachers, administration, or SRO if aware of a potential issue or if a student needs to talk to someone.
- **If you see something, say something.** A physical altercation or possession of the aforementioned can lead to out-of-school suspension, expulsion, and/or arrest.

Happy New Year's! January is the month many take the opportunity to make resolutions. Let's make a resolution to express gratitude. Gratitude is defined as "the quality of being thankful; readiness to show appreciation

for and to return kindness." Practicing gratitude can help us to note things in our lives that make us happy which can help us to stay in a place of positivity and wellbeing. We can practice gratitude by acknowledging and appreciating the things that make us smile or feel cheerful, calm and loved. We can share gratitude with others by valuing and respecting the people in our lives and in our school and entire community.

Let's work together to make Eli Whitney the best and safest school for trade and college preparation! Let's make 2023 a great year!

Best regards,

Mr. DiNatale
