

4/28/23

Good afternoon Eli Family,

It is hard to believe we are quickly approaching the end of the year. A senior class meeting was held and we discussed their upcoming events and expectations to remain in good standing. We are very proud of our Senior class and look forward to their continued success.

- A presentation was made by the Laborers Union reviewing incredible post-graduation pre-apprentice opportunities. Please see attached flyer.

- Senior Summative assessments are being administered to the senior trade classes. The assessments are important as they are credentials they may use to demonstrate their knowledge as part of a career portfolio.

- All Senior Electrical students have obtained the Building Science Principles Certificate of Knowledge, which is awarded to them by The Building Performance Institute. Also for the Senior Certification, they have achieved through CT-DOL-Apprenticeship Related Instruction: 720 Hours.
- If your student has been absent from school when submitting a note, please send them/direct to Mr. LeSieur, Dean of Students, chris.lesieur@cttech.org If you have medical physical paperwork, please give them to the nurse or main office. Nurse's email, Michelle.Inahuazo@cttech.
- The Amazing April issue of the Owl Gazette was completely run by the students. Assistant Supervisor Princess Twasam (11th) took on the reins and ran with this month's issue. Along with Lead Reporter John'ae Hart (11th) and the rest of The Gazette Team: Celia Perez (9th), Karla Reynoso (11th), and Alexander Hernandez (12th). Thank you to the OWL Gazette team and Mrs. Sumowski for her supervision!

- The Department for Cultural Engagement for Quinnipiac University are hosting a community outreach event. They are looking to organize a talent show for New Haven and Hamden High School youth from grades 9-11. They would be providing food, drinks, raffles, gifts, and more for the families and participants! The event will take place on April 29th, from 6:30 to 9 p.m. at the Quinnipiac University Burt Kahn gymnasium. The flyer is below as well as the sign-up link.

TOP THREE WINNERS WILL BE REWARDED SPECIAL GIFTS ALONG WITH PRIZES UP TO \$80

- The following is our April SEL message provided by Mrs. Becton, school social worker. This month's SEL activity we'll practice a calming technique using our five senses. We'll do this by noticing the season of spring and connecting to our natural world. Observe the markers of spring. Let's use our eyes and bring attention to how the sky looks, and observe the blossoming of trees and flowers. Listen to the sounds of all kinds of outside activities like youth socializing and engaged in sports, kids playing and adults mowing lawns. Maple syrup is made in early spring so let's try some! Eat a jelly bean and notice the taste in your mouth. Smelling scents can be such a rewarding experience! Let's smell some flowers or food cooking on the outside grill. Spring is the windiest time of the year so let's feel the wind push up against you or you may prefer to touch a petal on a flower. Using your five senses is a simple way to bring a mindful state wherever you are!
-
- Our baseball field has been prepared by our maintenance staff. We have seeded all fields, first phase of many, and look forward to well-manicured fields by the fall season. Huge thank you to our maintenance staff for their hard work and dedication to make our school and grounds clean. We continue to address the community as the school grounds are not a free-range pet park as school is in session. There is a public park adjacent to the school. School safety is our priority.

- **Daily attendance** is important as it prepares you for professionalism in the workplace or college. Chronic attendance occurs when you have 2 or more absences in a month. Achieving ten unexcused absences places you in the chronic absentee category and **may lead to credit denial**. Communication is important for all absences, notes should be submitted as well. Contact the Dean of Students with questions or concerns, Mr. LeSieur, chris.lesieur@cttech.org
- As the Eli Whitney students have been extremely cooperative in the educational process, we have had numerous situations with student disagreements. As mentioned before and in the handbook, **fighting is not an acceptable form of disagreement**. Also, students should not carry knives, pepper spray, or any facsimile weapons. Communicate with the school counselors, teachers, administration, or SRO if aware of a potential issue or if a student needs to talk to someone.

- If you see something, say something. A physical altercation or possession of the aforementioned can lead to out-of-school suspension, expulsion, and/or arrest.
- Dress code remains the same, no crocs, midriffs, or pants with holes. Pajamas should not be worn. The attire must be appropriate. Once again, IDs must be worn at all times.

- Cell phones may be used at the discretion of the teachers in class. **Don't be distracted!** Recording of other students and adults is not permitted. We will be reviewing the policy to reduce the interruption of learning time.

Let's work together to make Eli Whitney the best and safest school for trade and college preparation! Have a safe and great weekend!

Best regards,

Mr. DiNatale

Principal

Eli Whitney's Core Values

OWN IT

Overcome set backs
Want more
Normalize kindness

Inspire positive change
Take responsibility
