

ELI WHITNEY TECHNICAL HIGH SCHOOL

Good Afternoon Whitney Families,

This was a short but fantastic week, filled with meaningful moments that truly reflect the spirit of our school.

One of the highlights was seeing our senior student mentors working side by side with our Grade 9 students during their exploratory sessions. The energy in the learning spaces was undeniable. Seniors confidently sharing their knowledge, and younger students soaking it all in with curiosity and enthusiasm.

Watching our senior students lead with passion, purpose, and pride in their trade areas was a reminder of why we do what we do. It's more than just skill-building, it's about fostering leadership, building confidence, and growing a supportive learning community.

"Hoots & Highlights from the Nest":

🞉 Senior Night Celebrations: Honoring Our Student Athletes🎉

This week, we had the special opportunity to celebrate our senior student-athletes during Senior Night for both soccer and volleyball. It was a memorable occasion filled with pride, recognition, and community spirit as we honored the dedication, hard work, and accomplishments of our seniors.

From heartfelt speeches to celebratory moments on the field and court, the evening served as a reminder of the positive impact these athletes have had on our teams and school community. It was truly uplifting to see so many families, friends, and fellow students come together in support.

Thank you to everyone who helped make the event meaningful and most importantly, congratulations to our seniors! You've left a lasting legacy, and we can't wait to see what your future holds.

Building Connections in Advisory

This week in Advisory, students across all grades engaged in meaningful activities designed to build community, encourage reflection, and develop essential life skills:

- Second readines of the second readines of the second readines of the second responsibility, key skills as they prepare for life beyond high school.
