

Good Afternoon Whitney Family,

It was a short but extremely busy week here at school. We continue to be grateful for the strong partnership between our staff and our families. As a reminder, it truly takes a village for our students to be successful. Your support makes a meaningful difference every day.

We encourage parents to maintain positive communication with us so that we can work together to support your child's academic and social growth. We also appreciate your partnership in reinforcing our school rules and procedures at home. When students hear consistent messages from both school and family, they are better prepared to thrive.

As we move forward, please take a moment to review our expectations with your child. Clear, shared understanding helps create a safe, respectful, and productive environment for everyone.

Eli Whitney Expectations for All

Wear Standard School Uniform

Students must always be dressed in the correct Academic/Trade Uniform and have a student ID (Physical or Digital) at ALL times.

Cell Phones/Airpods/Headphones

Cell phones/AirPods/Headphones must be put away during classroom time.
Cell Phones MUST NOT BE VISIBLE during class sessions.
All above-mentioned items can ONLY be used in common areas (cafeteria, hallway, or S.E.L. room).

Attendance

Daily attendance is REQUIRED and imperative to be in good standing. Students MUST arrive at school and class on time. Tardy students must bring a pass.

Appropriate Language

<u>As per Title IX Policy</u>: Sexual Harassment/Sexual Battery/Other Sexual Misconduct is Prohibited, Discrimination, Bias, and Bullying under the protected classification such as race, religion, color, national origin, age, or disability. Additionally, NO direct and indirect profanity or racial slurs will be tolerated.

Respect

Being a part of the Whitney Tech HS community means MUTUAL RESPECT must BE demonstrated toward ALL individuals. Students MUST respect their learning environment at ALL times, and accept teacher directives WITHOUT NEGOTIATION.

🌟 Advisory Highlights of the Week

Our Grade 9 students participated in a fun and interactive activity designed to help them get to know each other better. The session focused on teamwork, communication, and creating a strong sense of community as they continue to settle into high school life.

Grade 10 explored the impact of social media in their lives, both the positives and the challenges. Through open discussion, students reflected on how online spaces influence relationships, self-image, and mental well-being.

This week, Grade 11 students focused on self-reflection and gratitude. Through meaningful activities, they took time to recognize personal growth, express appreciation, and acknowledge the people and moments that inspire them.

Our seniors explored "The Power of Gratitude" and discussed how to become effective advisory mentors. They reflected on how gratitude can strengthen leadership, relationships, and their role in supporting younger students.

Please join us in welcoming our new Security Guard, Leon!

He may be new to the security team, but he's certainly not new to our school. Many of you will recognize him from the cafeteria kitchen, where he's helped out countless times.

We're excited to have him in this new role, where he brings plenty of experience. When he's off-duty, you

can usually find him shooting hoops. ##

₱ Future Educators Explore Our Technical High School

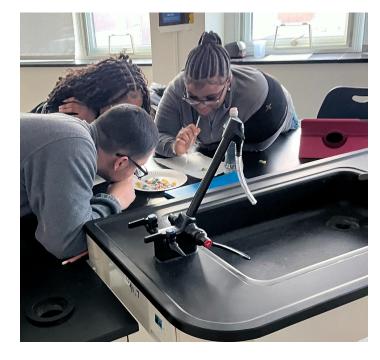

This week, we were proud to host over 75 Southern students for tours of our campus! These future educators had the opportunity to learn what makes our technical high school such a unique and inspiring place to learn and grow. A huge thank-you to our SkillsUSA student ambassadors for their leadership, enthusiasm, and for showcasing the pride and excellence of our school community.
